Case 1:08-60-90217-AFTR POLICOCUTE PARTION FINE CO. PART CT. ATTORNEY OF THE

DISTRICT ATTORNEY OFFICE HAVE BEEN FILING FALSE AND MISLEADING REPORTS. This IN DRUG CASES. Especially the lab reports and arrest reports This licy has been extreme since 1996 when the A.S.C.L.D. was filed....

Scott Fields tried to run me off of the bike They then chased me and when I hit the ground face down they started Punching and

kicking me. The deponent was laying face down. The officers did handcuff the deponent and kept hitting him in the head back and facial area see photo...

Who did what? Then Officer Forgione came and joined in with them. Vincent Hoosack did nothing to stop them from beating the deponent. The

sargeant broke his hand (scott fields ) punching the deponent in the head.

The narcotics division uses forced arrests to boost officers to

Was anyone else savoived? detective status. It is the quickest way to become a detective or a superior officer. The narcotics officers file false arrest reports as a common trend. This policy has been going on for years

and no one deals with it. The deponent was also sprayed with mace while he was handcuffed laying on the floor. . The use of mace on

a captured handcuffed prisoner is forbidden. However this has also happened to other detainees, such as (Martin England)

was identified as such in the dirty 30 scandle..

So far a witness by the name of Marquis Brooks has come forward.

## III. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical reatment, if any, you required and received. Black outs, headaches back and face pain. The hospital ordered catscans but has not enforced the issue. Plus the deponents right foot was broken. Left side of face swollen. The black outs still come and go Plus I fear comming home only to be harrassed further. Note sargeant Scott Fields is a defendant in another claim under 05cv 1872. HIs assault is deemed tampering with a federal witness. The officers reports declare the behavior in arrest number I was beat for evidence...

The Prison Litigation Reform Act of 1995, 42-U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted." Administrative remedies are also known as grievance procedures.

A. Did your claim(s) arise while you were confined in a jail, prison, or other correctional facility?

Honorable Magistrate Debra C. Freeman UNited States District Court Southern District Court of New York 500 Pearl Street
NEW YORK NEW YORK 10007

WINGATE V GIVES ET.AL. Index No. 05civ 1872

Honorable Justice Freeman,

I am Blake Wingate the plaintiff in the aforementioned action . I received a response to the request for an ORDER OF PROTECTION FROM A DEFENDANT IN OUR CLAIM OF WHICH IS a police sargeant in the 113th preceint named Saegeant Fields.

Sargeant Fields orchestrated an attack upon the deponent in which

I am now receiving Blackouts. The tangential connection of which
the corporation relates is a direct connection to the plaintiff
Blake Wingate. He was assaulted directly and not (tangentially)
by sargeant fields and his friends. Sargeant Fields initiated the
assault and the arrest, but did not file any of the police reports.

He passed the case, violating POLICE PATROL GUIDE RULE 28520.\*\*\*
ON page 443 of the 2007 Police Patrol Guide of New York. The fact
remains is that SARGEANT Fields conduct was totally unprofessional
and the C.C.R.B. has already been cited and made publically known
for excusing abusive conduct by N.Y.P.D... see news paper article
of the 1000 Mark to the conduct of the 10

(1)

Pursuant to 18 U.S.C.S. 3144, Sargeant Fields is a hostile material witness, of which has been cited for previous violations for his illegal searches and arrests. The fact that we are in a FEDERAL Prosecution for another illegal arrest and then he orchustrates a second illegal arrest and assault against this deponent causing the deponent to be incarcerated for a felony and misdemeanor, is a question of his actual state of mind. The remaining factor is the deponent Blake Wingate refused to be released because he would have been released into his (sgt. fields) preceint the 113th...

The assault on the deponent was a mystery until he received the actual C.C.R.B. reports as he does not recall seeing Sgt. Fields. His identification remained a mystery as far as facial because he never had a meeting with the deponent as he was suppossed to in the investigation of the prior case, and my memory is very bad based upon the beating.

The deponent Blake Wingate was scheduled to go home in July of of 2007.But not knowing whom caused the assault caused him; he refuse the release from Parole and the Case itself in order to be protected from further abuse. The felony charges were dismissed in less than 1 month. Thus an A misdemeanor only carries a 1 year sentence. The 1 year is almost up and He will have to leave jail soon. The citation of C.P.L. of N.Y. sec. 530.13 People v Debo 234 a.d.2d 944 does not override the fact that we are also in a Federal litigation of which the civil crimes are also federal crimes. For instance, false arrest and incarceration leading to peonage violations is cause for 18 U.S.C.S. 1581-1595, of which no judge or party is immune from prosecution.

The civil procedure for the same incident is listed under 42 U.S.C.S. 1994. The crime of peonage was completed as the said plaintiff Blake Wingate was convicted illegally for a crime of which was committed by another person, known to the prosecutor and the arresting officers and they still persecuted the defend -ing petitioner. THE APPEAL IS STILL ILLEGALLY PENDING PAST THE 2 YEAR LIMIT. 13th amendment U.S.C... Santiago v Philadelphia 435 F.SUPP. 136.. and there has always beem concurrent jurisdiction of State and FEDERAL COURTS in prosecutions of this violation of this section UNITED STATES V Mc Clellan 127 F 971...

The deponent respectfully stated he is an intimidated witness in all of his cases and not only his criminal trial, and the source of intimidation is a Police Sargeant with a gun and a termor team of officers whom also have guns and they already beat the deponent to the point that the sargeant broke his hand while beating the defendant.

The claim of the issue of orders of protection only for people that may be subjected to danger , bodily harm or annoyance from another is completely correct and I suffer from it and have been suffering from the said act since 2003... People v SMITH 4 Misc 3d 909 , 782 NYS2d 596.

The credible reason for the assault is for the deponent to be silent lagainst SGT Fields or more will come. I recently was released in Feb. of 2007 for another unlawful arrest for possession of drugs in the 113th preceint and there were no lab reports. but I had to take disorderly conduct in order to be released. I am tired of giving out convictions for non existant crimes.

18U.S.C.S. 1513 specifically details the illegal conduct of sgt. fields and for the corporation counsel to omit this fact shows extreme prejudice to the health and well being of the deponent and may constitute a conspiracy for committing a hate crime..

I Blake Wingate hereby request a hearing with Sargeant Fields to determine the conduct expressed herein and for such other and fur -ther relief as deemed to be just and proper.
